

HOPE | HOMES | HEALING

4KIDS exists to bring hope and healing to kids and families in crisis across South Florida, the Treasure Coast, and Southwest Florida. In partnership with local churches, businesses, and government agencies, 4KIDS is committed to finding a home for every child, and redefining foster care in our community.

PREVENTION

Strengthening families and providing hope to children in the community by meeting tangible needs and developing support through partnerships and tools such as CarePortal and more.
