

Steps for Creating Your Personal ‘National Foster Care Month’ Fundraising Page

Before May 1, here’s how you set up your page:

- Visit: Givebutter.com/4KIDS-NFCM-2025
- Click on the button that says “Fundraise”

- Log in to your existing GiveButter™ account or create a new one and make sure you save your login details for next time.
- Follow and answer the prompts to fill in your information and upload a profile picture.
- You can create or “join an existing team” if you have a group fundraising together, or just join the “General” team if you like.
- Select a [fundraising goal](#) (not required, but encouraged!)
- Write your fundraising “story”- this is where you write and share with your supporters why you are choosing to support 4KIDS during National Foster Care Month! You can even insert a personal photo if you like (ex. a picture of you volunteering with 4KIDS or or someone you’re fundraising in honor of).
- Launch your page and make note of your **custom webpage URL** - this is the link you will give people who want to donate towards your fundraiser.
- If you need to make any changes to your “story” or fundraising goal later on, navigate to your custom webpage and click on the blue “[Share & Manage](#)” link next to your name, then “[Edit Page.](#)”

My Story

On Thursday, May 1 - donations can now be accepted on your page!

- **Consider making your own donation** on your page to increase the chances of your friends and family joining in! To do so, on your custom page click the “Donate” Button on the top right-hand corner.

- Please note that the end of your transaction, you have the option **to not cover the processing fees by clicking “edit,” and you can select “other” for the tip portion and make it “\$0.”** Having these features on is what allows GiveButter to remain a free platform for 4KIDS.

Donation	
Credit card processing fees	\$1.80
So 100% of your donation goes to 4KIDS.	Edit

Add a tip to support Givebutter 🍷
Givebutter does not charge any platform fees and relies on your generosity to support this free service. [Why tip?](#)

- Share your custom webpage link on your social media or via text to all your peers encouraging them to give!
 - Sample Language for Social Media/Text Message:
 - *Did you know May is National Foster Care Month? 4KIDS is one of my favorite nonprofits and it would mean so much if you donated to my fundraiser for them. Please help me bring Hope, Homes, and Healing to kids and families in crisis locally by donating via this link: [insert your custom webpage URL]. Thank you!*
