

*In this newsletter, be inspired by other 4KIDS Partners like you who invested their **treasure, time, and talent** to transform lives this past quarter. As always, thank you for your heartfelt support and generosity in the name of **Hope, Homes, and Healing** for kids in crisis. Your partnership truly makes all the difference as we seek to impact more children and families across our community.*

Investing Their Treasure: National Foster Care Month Partners

May was National Foster Care Month, and throughout the whole month, we saw incredible support from 4KIDS Partners who have a passion to advocate for kids in crisis.

We want to give a special thank you to **Moss Foundation** for being the lead matching partner of our May Day of Giving, along with **Pediatrics by the Sea, Agape Behavioral Healthcare, J&R Diamond Supply, and Rick Lowe Fine Art**. These generous partners allowed us to have a match of \$125,000, and because of this match, we exceeded the goal and raised nearly \$200,000 in the month of May!

We also want to highlight the **Broten Garage Door** team who wore blue in support of our #GoBlue4KIDS Campaign! It was so encouraging to see the staff participate in honor of such an incredible cause and spread the word about our ministry.

And finally, we want to highlight **Chick-Fil-A Deerfield Beach** for donating a percentage of sales for nearly two weeks in May! This new location opened in April, and Efraim Silva wanted to show his love and compassion for children in foster care through this generous partnership.

We are so thankful for the multitude of ways our partners stepped up in May to show the great need and the great impact that can come from loving, Christian foster families.

Investing Their Time: 4KIDS Back to School Drive

Our Annual Back to School Drive is happening now, and we need your help to support our 4KIDS Foster and Adoptive families as they prepare for a successful school year!

This year, from **June 27 through July 25**, instead of collecting specific items, we're asking for *financial donations* to provide families with gift cards. This allows parents and kids to shop together, picking out their favorite colors, styles, and themes, making back-to-school shopping a fun experience.

It's about more than just checking off a list of supplies. It's about creating positive, lasting memories and building excitement for the school year ahead. Click the button below to give a suggested donation of \$25, \$50, or \$100 to provide gift cards to our much deserving families!

TALENT

Skills & Expertise

Investing Their Talent: First Citizens Bank

Our 4KIDS Independent Living Program (TIL 2:25) offers Life Skills Classes in partnership with businesses to help equip young men and women with practical knowledge for everyday living. These sessions cover essential topics like cooking, budgeting, childcare, and more.

Recently, **First Citizens Bank** partnered with us to host a Life Skills Class focused on financial literacy where residents learned how to organize financial goals, create budgets, and understand the importance of tracking income and expenses.

The class was hands-on and engaging! Residents were divided into small groups to work directly with representatives from the bank, making the learning experience interactive and personal. They walked away not only more confident in managing their finances but also motivated to set new goals and take control of their financial future.

Kayli Stevenson, 4KIDS Program Manager of Independent Living, raved about the success of the evening saying, "Those that attended expressed their appreciation and continue to share how much they learned. We look forward to scheduling a Part 2 for one-to-one time to discuss financial goals and budgets."

We're so thankful for partners like First Citizens Banks who are committed to helping the next generation feel supported!

*Last quarter, from April to June, you helped change lives and bring joy to children in **Broward County**:*
