Church Partner Spotlight: Calvary Chapel PSL

This quarter, we want to highlight **Calvary PSL** for their partnership over the last few months. We are so incredibly grateful for the impactful ways they've helped champion the mission of foster care within their church and community. From promoting National Foster Care Month to inviting us for a powerful weekend presentation in May, your support has created meaningful awareness and engagement. Pastor JR's message, sharing his own family's journey with 4KIDS across all four services, reached over 1,500 people and left a lasting impression that continues to inspire others toward fostering and supporting vulnerable children.

The leadership didn't stop there. Their worship team's presence at Faith Night last month at the St. Lucie Mets stadium was a beautiful testimony of faith in action. Moments like these, where faith, family, and community intersect, are so vital in building a culture of care around kids in crisis. Thank you for being such a faithful partner in this mission. Together, we are giving more children the opportunity to experience the love and stability of a Christian foster home.

Business Partner Spotlight: Brittany Earll with Re/Max Gold Florida

Award-winning realtor Brittany with Re/Max Gold Florida first heard about 4KIDS at her home church during a special emphasis on National Foster Care Month. Her church not only spotlighted the urgent needs of children in crisis but also challenged the congregation to prayerfully consider how they could use their time, talents, and treasures to care for vulnerable children in their own community. That message deeply resonated with Brittany and with a heart stirred to make a difference, she reached out to 4KIDS with an idea that combined her professional skills with her passion to serve: hosting a “Brokers Open” with a greater purpose.

Rather than a typical open house, Brittany transformed the event into a platform for awareness and impact. Guests were invited to tour a beautiful home and enjoy refreshments, but they quickly discovered that this was more than just a real estate showing, it was a mission-driven gathering. Brittany generously pledged to make a donation to 4KIDS in honor of every person who attended, ensuring each guest became part of something meaningful. Through her creativity and generosity, Brittany not only introduced her network to the mission of 4KIDS, but also demonstrated how anyone, in any profession, can be a powerful advocate for children in need. Thank you!
