

2024-2025
Impact Report

deep & wide

Celebrating the Impact
of a *thriving* Mission

A THRIVING YEAR, A BOLDER VISION

Dear Friends,

This past year has been one of deep transformation. As I stepped into my first year as President of 4KIDS, I witnessed not only the strength of our legacy—but the incredible resilience and passion of our community.

In a season of transition, we did not simply stabilize—we *shored up* foundations from Broward, Palm Beach, the Treasure Coast, Southwest Florida, and Miami-Dade. We strengthened teams, reinforced care for families, and saw measurable growth even in the midst of challenges. Our commitment to the vision of *a home for every child* became more than aspiration—it became actionable.

From record growth in foster homes to significant movement toward reunification, we are thriving, not by our own efforts, but because of God's goodness. This is a ministry rooted in John 15: abiding in Christ and bearing much fruit. And now, as we look ahead, counting down to our 30th anniversary in a few short years, I believe we've never been closer to seeing that bold vision fulfilled.

Thank you for being part of this story.

Until Every Child Has a Home,

Andrew Holmes
4KIDS President

**“We’re not just
doing more—
we’re doing better.
Together, we
are bearing
lasting fruit.”**

— ANDREW HOLMES

**“Rooted and built up in Him,
strengthened in the faith as you
were taught, and overflowing
with thankfulness...”** *Colossians 2:7*

deep IMPACT

The Lives You've Changed

This year, your generosity and prayers made deep, life-changing impact possible. These are the moments that matter most deeply, the ones that happen inside the home, within the heart, and across generations.

Foster Care

More homes.
Greater stability.
Against the odds.

Outcome Stats

Net positive growth of

our highest in 5 years

Placement stability rate of

1.2x

moves per 1,000 days
compared to 4.9x state-wide

216
licensed homes
346
children served

Adoption

A forever home for **31**
children adopted into
4KIDS Families this year.

900+ adoptions since
4KIDS' start in 1997.

Each adoption tells a
story of permanence,
promise, and love that
lasts a lifetime.

Children enter foster care for many reasons—

addiction, domestic violence, or housing instability—but many parents deeply love their children and just need time and support to create a safe home. That's what makes reunification so powerful.

This year, a 4KIDS Foster Family welcomed a teenage boy. From the start, they advocated for his well-being, ensuring he could stay in his school, celebrating his culture through food and shared traditions, and supporting his desire to reunify with his biological family.

They formed a meaningful bond, making sure he felt seen, valued, and empowered. When it came time to say goodbye, they reminded him of his dreams and let him know he'd always have a place in their hearts. Today, he's back home with his family, thriving, supported, and forever connected to those who walked with him during a pivotal time in his life.

Reunification

Reunification outcomes tell
a powerful story—children
safely returning to their
families with support,
healing, and hope.

54

reunifications
supported through
4KIDS this year.

Young Adults & Moms

At 4KIDS Transitional Independent
Living (TIL 2:25) and His Caring Place,
young people find not just shelter, but
stability and mentorship.

Outcome Stats

17 young adults housed
22 moms and babies served
100% received life skills and
parenting support

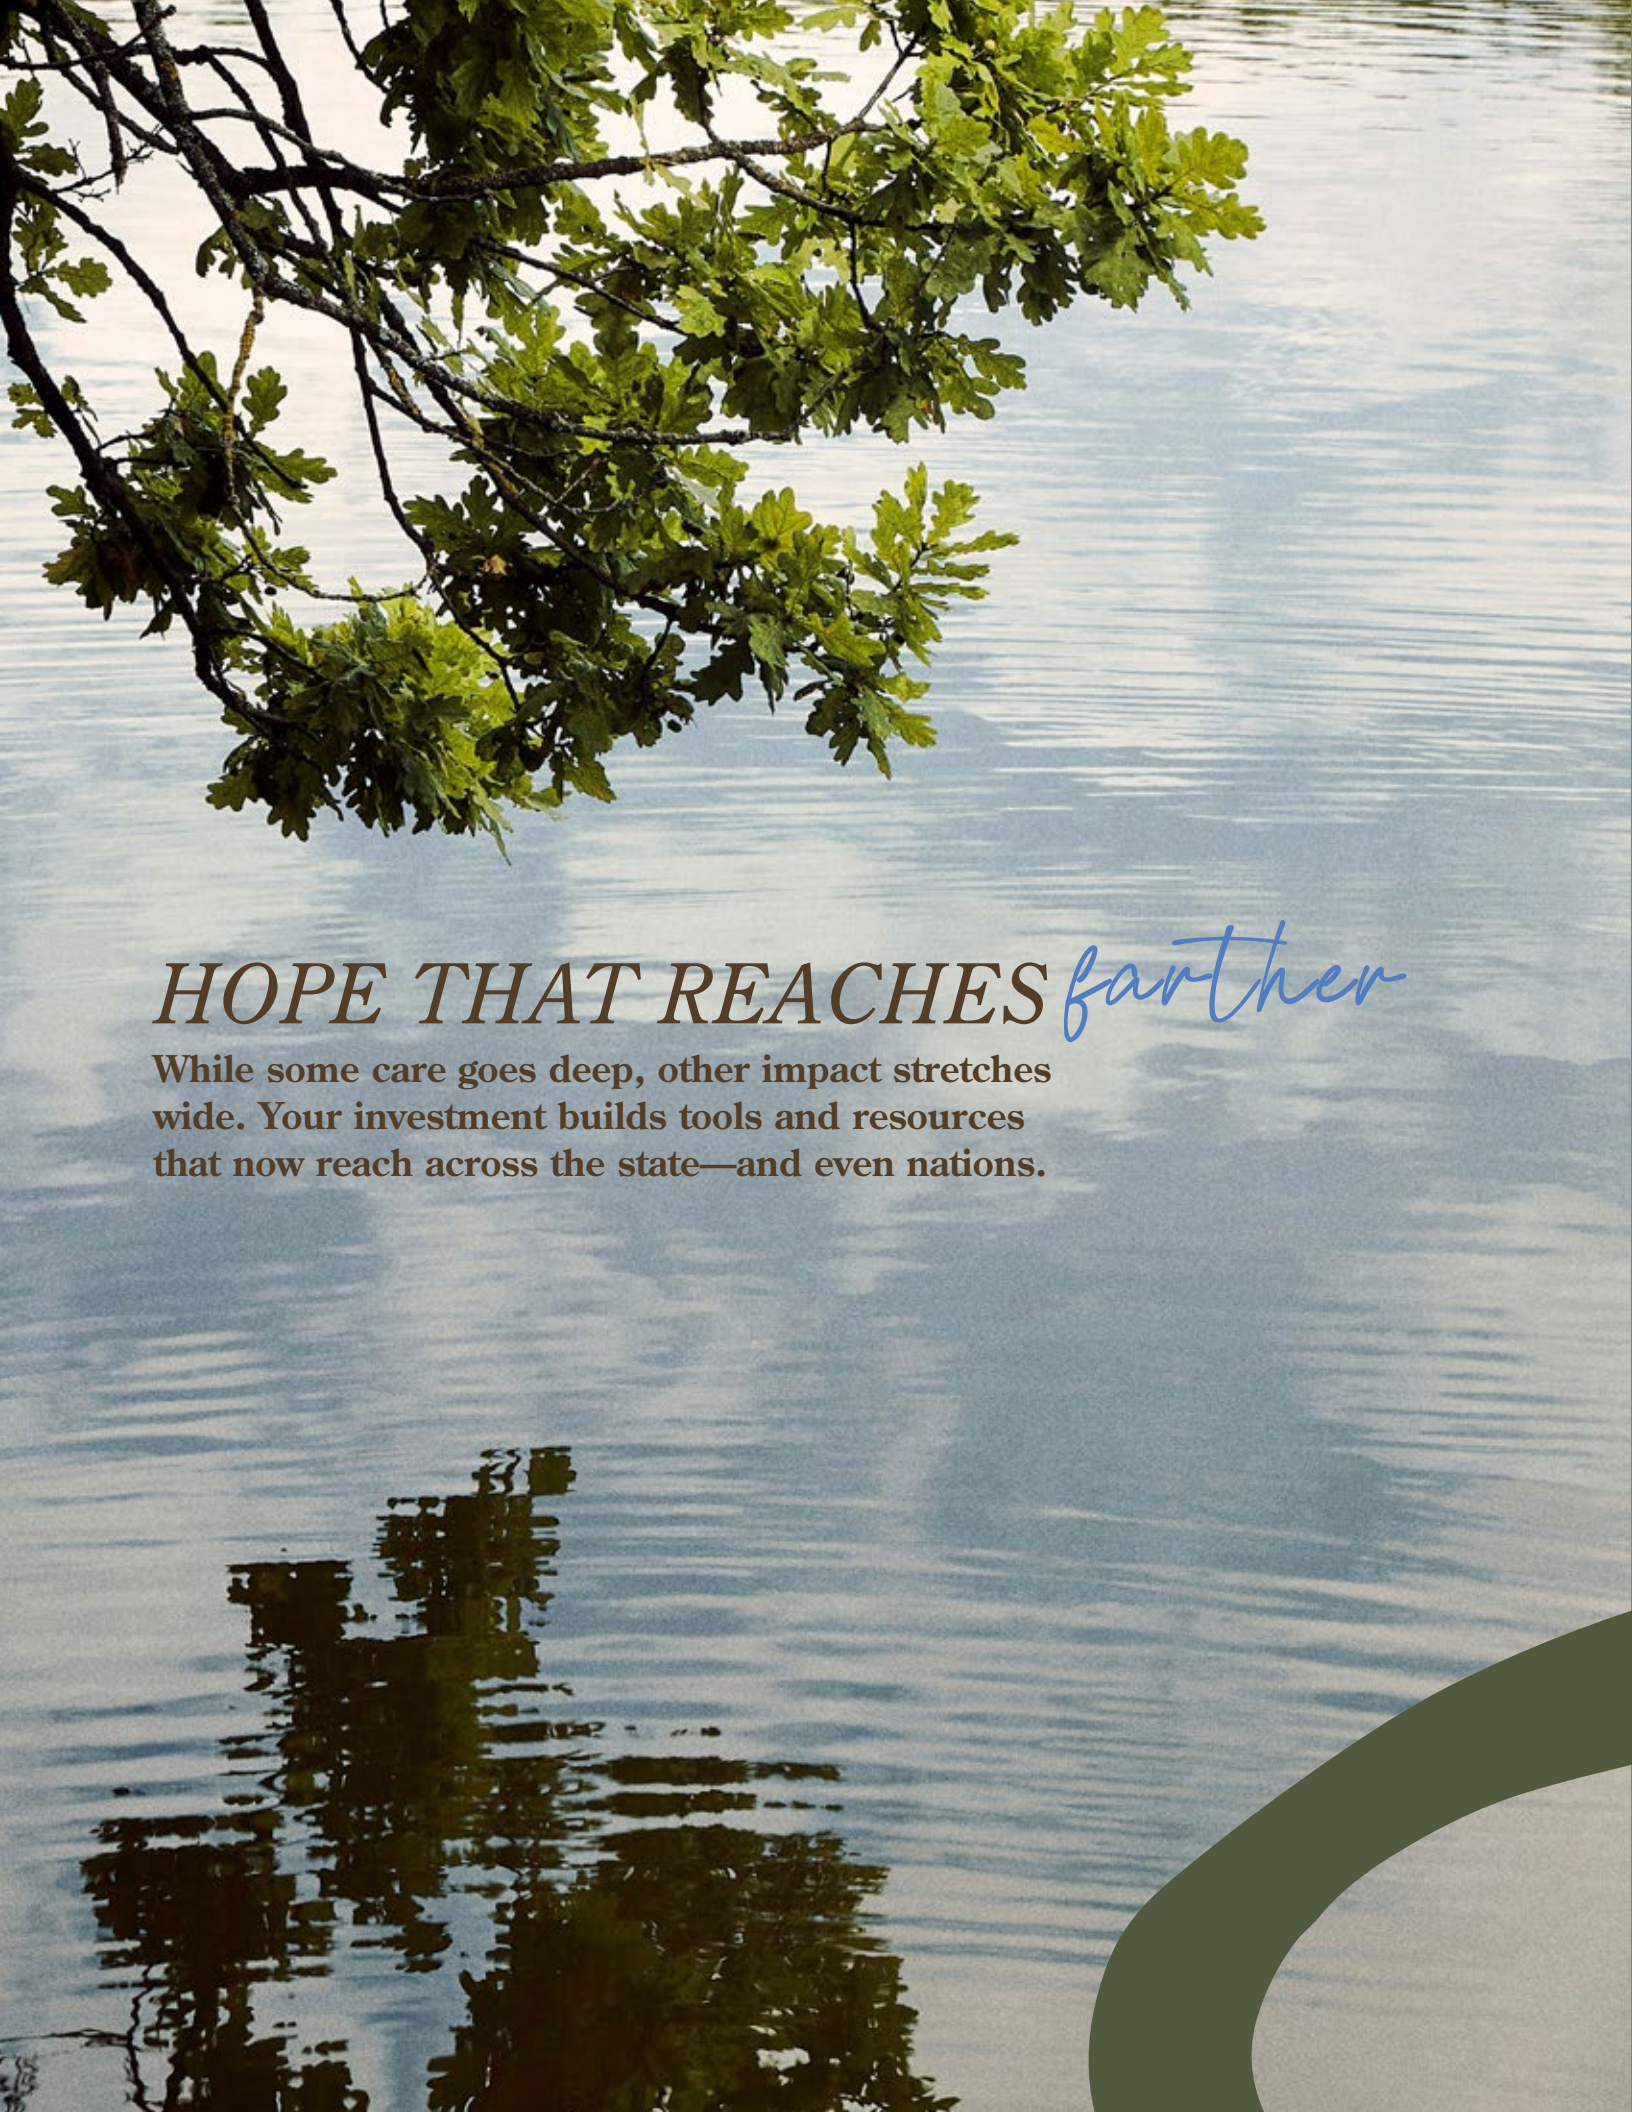

For many young moms at His Caring Place, asking for help doesn't come easily. Without a stable support system in their past, relying on others can feel unfamiliar or even unsafe. This year when one mom found herself overwhelmed by the weight of daily life, she bravely reached out for help. Her Resident Advisor responded with compassion, turning a tough moment into a "laundry party" where the whole community came together to lift the burden. A beautiful reminder that no mom or young adult is alone on their journey.

EPIC, Trauma-Informed Therapy

Children are thriving not only because of their homes, but because their hearts feel at home too. The expert-level care and compassionate guidance of the EPIC Clinical Team is changing children and families in deep and powerful ways.

11,531 hours of therapy
681 children and adults served

When a little toddler came into foster care, he was struggling with coping and had difficult behaviors that were keeping him from growing and thriving. His 4KIDS Foster Family soon began working with an EPIC therapist and started uncovering the deep trauma he had experienced—even before birth. The intense stress he was exposed to in the womb had left him unusually quiet as a baby, rarely crying. But now, as he grows, he's struggling to make sense of the world around him. Because of EPIC, his foster parents were able to experience a breakthrough, finally understanding the root of his pain. Armed with expert-led tools, they're now helping him form a strong, secure attachment, laying the foundation that will transform his future.

HOPE THAT REACHES *farther*

While some care goes deep, other impact stretches wide. Your investment builds tools and resources that now reach across the state—and even nations.

A *Wide* REACH

CarePortal

This powerful tool of preventative care propels the local church into the lives of at-risk families. An online database connects the needs of children and families with churches who are ready to help. This prevents family breakdown and keeps more kids out of foster care.

- **4397** children and family members impacted
- **172** partner churches across **13** counties
- **\$1,140,000** total economic impact

HopeConnect™

A trauma-informed digital tool empowering caregivers with **Everyday Moments™** that spark connection through God's Word.

- **312** parents trained
- **44,462** children and families impacted
- Available in **3** languages with active users from **75+** countries

EPIC Training & Resources

Our EPIC Therapeutic Approach equips parents and caregivers to build safe, healthy relationships with kids who have experienced trauma. This training has a ripple effect that allows more and more children to heal and thrive.

- **470** parents trained
- Reached **12** countries through international trainings

“HopeConnect™ equips Buckner families in the U.S. and across the Americas with trauma-informed, practical, and joy-filled parenting resources, giving hope and healing to children who’ve faced trauma.”

- Dr. Albert Reyes, CEO of Buckner International

I didn't know how to grow in my parenting. But EPIC training equipped us—and it pointed us back to God.”—EPIC Trainee

Understanding Impact: *deep & wide*

Not all impact is the same—and that’s a beautiful thing! Understanding different ways 4KIDS impacts children, young adults, and families can bring your giving to *life*.

Deep Impact: Foster care, adoption, reunification, long-term housing, and therapy

Wide Impact: Prevention through CarePortal, EPIC Training and digital resources, and HopeConnect™

A HOME FOR *every child*

This bold vision is no longer a dream—it's taking shape.

Through new strategic partnerships and data-informed tools, 4KIDS is stepping into a transformative moment:

A growing multi-state movement is making it possible to identify and support vetted foster families—faster, smarter, and more collaboratively than ever before.

As momentum builds, 4KIDS is expanding its impact across Florida—and beyond. New doors are opening to serve more children with excellence, from local communities to national partnerships and even international outreach.

Expanded
statewide &
national reach

Smarter family
recruitment
through proven
technology

30th
Anniversary
Vision: A Home
for Every Child

Why It Matters

It's scalable.
No need to build more infrastructure—this model leverages what's already working.

It's collaborative.
4KIDS multiplies impact by aligning with mission-minded partners.

It's working.
In one state, this same approach led to more foster families in 7 months than the entire state achieved on its own.

“Together, we can invest
in bold ideas that meet
real results. This is it.”
