### Business Partner Spotlight: Torres Orthodontics

We want to give a huge thank you to Torres Orthodontics for partnering with us in such meaningful ways this quarter! As one of our generous sponsors for the Christmas party, they helped make the day fun and festive for our foster and adoptive families. The holidays can bring up many mixed emotions for children and families experiencing foster care, and this celebration offered a joyful opportunity for them to connect, share experiences, and relax.

Torres Orthodontics also provided wrapping paper for the gifts donated during our Gift of Hope Collection, helping to remove one more challenge during the holiday season and spreading even more cheer!

Dr. Rodney Torres said, "We chose to partner with 4KIDS because their commitment to protecting children and strengthening families aligns closely with our own values. As a parent, former foster parent, and member of the community, this partnership is deeply meaningful to us."

We are so thankful for this 4KIDS Partner and can't wait to see the impact they continue to make here in Miami-Dade.
