

HOPE | HOMES | HEALING

From prevention to restoration, 4KIDS offers compassionate services to kids and families in crisis across 13 counties in Southern Florida and beyond. 4KIDS continuum of care includes family preservation efforts, foster care, residential programs, and trauma-informed therapy and training. Since 1997, 4KIDS remains committed to bringing *Hope, Homes, and Healing* to those who need it most in our communities.

PREVENTION

Strengthening families and providing hope to children in the community by meeting tangible needs and developing support through partnerships and tools such as CarePortal and more.
